Vigorously promote and support the Department's beliefs of studying, seeking, sharing, and serving.

Accomplishments

According to Pastor's Reports in our West Ga. Region over 75% of our churches have reported ministries that support their surrounding communities.

Challenges

Receiving communication on ministries performed from churches throughout the Region, not just a few.

Recommendations

During District meetings pull all Lay together to select offices in each area, reasoning there is usually only a few Men attending the District Meetings.
