

West Georgia Region
Social Concerns Report

There are two things that make Politicians nervous! Voters and Money. Voting is an Attitude! It's not Over! WGR will continue to give voters a ride to the poll. The Impact is getting voters to the poll.

WGR had volunteers to support National Voters Registration Day on Tuesday, September 19, 2023. Volunteers joined NAACP's voters Registration drive at Kendrick High School. Volunteers also supported Voters Registration Drive at Columbus State University on September 22, 2023. My team passed out flyers to citizens to encourage other citizens to vote/or and update their voter Registration information.

"Don't Miss the Mission"

Faithful in Prayer,

Shiann Williamson, WGR Social Concerns
